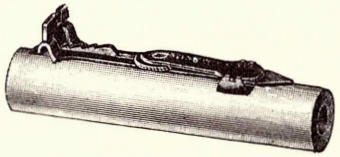
No. 19 Stevens Folding Leaf Sporting Rear Sight

List Price $1.25



This sight has adjustment for both elevation and windage. The windage is adjusted by cam action which permits very fine adjustment by the turning of a small adjusting thumb screw.

The Folding Leaf Sporting Rear Sight may be used in conjunction with our Hooded Ramp Front Sight with or without hood.

The U notch leaf may be folded down out of the sighting line when peep sights are used in conjunction with the Hooded Ramp Front Sight.

This sight can only be used in combination with our peep sights and Hooded Ramp Front Sight. It cannot be used with our regular gold bead front sight as it has been made considerably higher for the Hooded Ramp Front Sight.
